

## Match Day Plan

### **Batting:**

1. Defend with full face of the bat.
2. Develop partnerships once players get in.
3. Look to hit the gaps.
4. Aggressive running between the wickets.
5. Keep scoreboard moving & keep up with the run rate.
6. Established batters to bat through.
7. We must bat our overs.

### **Bowling:**

1. First ball sets the tone of the over. Always finish off with a good ball.
2. Attack & aim to take early wickets. Off stump corridor. Avoid width.
3. Attack new batters with attack field & good lines.
4. Bowl in partnerships & build pressure.
5. Keep established batter off strike.
6. Bowl full & straight at the end of the innings.
7. Avoid extras.

### **Fielding:**

1. Create pressure on batter.
2. Positive body language. Maintain high energy levels.
3. See yourself as a potential wicket-taker.
4. Expect every ball to come to you.
5. Team work is key. Get every fielder involved.
6. Create situations with key players in key positions.
7. Wicket-Keeper engine room of the team.
